BAD STOMACH

MAKES BAD BLOOD. You can't make sweet butter in a foul churn. Every farmer's wife knows this. Your stomach churns and digests the food you eat, and if foul, torpid or out of order, your whole system suffers from blood poisoning. You will have foul breath, coated tongue, but taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a beverage composed of whisky or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the Stomach, Liver and Bowels.

I used a blood medicine which did not give me any relief. Then I began to take your Golden Medical Discovery. I was greatly benefited with the first bottle and after taking the second bottle was completely cared. The erysipelatous eruption disappeared and my blood was cleaned. My complexion is clear and fresh and I have feit better this year than I did for some time before. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine.

Don't accept a substitute for a medicine which performs such cures and which has a uniformly successful record of nearly forty years to its credit. It's an insult to your intelligence for a dealer to try by over-persuasion to paim off upon you in its stead some inferior article with no record to back it up. You know what you want; it is his business to meet that want.

The Edwards Murder Mystery.

Soicide by means of both bullet and poison is the explanation given by Coroper Eli Mix of the death of Charles A.
